Headteacher: Mrs L. J. Yorke M.Ed.

St. Mary's mission: To love God above all things by: learning together, loving ourselves, loving each other, loving all people, loving life itself and constantly striving for excellence worthy of our God-given gifts.

May is dedicated to our Blessed Mother, Mary

Our theme for the Summer term is: 'Stewardship'

Our virtues for this half term are: - 'Grateful and Generous'

Dear parents and carers,

22nd May 2026

As we break up for the May half-term today, I hope you are all looking forward to a wonderful week ahead. The weather is set to be beautiful, and I hope you and your families enjoy some well-deserved rest and sunshine.

Year 2 SATs

A huge well done to our Year 2 children, who have worked so sensibly and calmly during their tests this week. Although these assessments are no longer statutory, they help us build a clear picture of each child's learning before they move into the juniors. We do not share individual test results with parents, but your child's end-of-year report - sent out later this term - will give you a full overview of their progress across all subjects.

Mixing classes

You will have received a message today about class mixing for next academic year. This is an important part of ensuring that all children learn in balanced, supportive environments where they can flourish. Mixing classes brings many positives, including wider friendship groups, stronger learning dynamics, and increased resilience. Our teachers know the children incredibly well and will take great care when creating the new classes. We will guide pupils through the transition with plenty of preparation and opportunities to meet new classmates. Children will still enjoy social time as a whole year group, so they can continue spending time with their existing friends. If you have any questions, please do get in touch with the school office.

Birthdays in school

A gentle reminder that we are unable to accept birthday sweets, cakes, or presents in school. This helps us keep all children safe (especially those with allergies) and ensures fairness for everyone. Children are still very welcome to celebrate their birthday by wearing non-school uniform for the day, which always brings lots of smiles.

Keeping safe in the sun

Finally, as the weather warms up, please remember to apply sunscreen before school and ensure your child brings a sun hat and a water bottle each day. Please do not send children in with creams as our lovely kind children share creams and we need to keep those with allergies and sensitivities safe.

Wishing you all a relaxing and enjoyable half-term break. We look forward to welcoming the children back refreshed and ready for the final part of the school year. Happy May half-term, from Mrs Yorke

CATHOLIC LIFE

This week's Gospel

John 17:1-2

'At that time: Jesus lifted up His eyes to Heaven, and said, "Father, the hour has come; glorify your Son that the Son may glorify you, since you have given Him authority over all flesh, to give eternal life to all whom you have given Him."

Reflecting on this week's Gospel, we learn: –

- Know that prayer helps us to focus on seeing who He really is.
- Remind us that Jesus prayed for His disciples and for us.
- Spread His love by praying for others and following God's way.

Father in Heaven,

I lift my eyes to You as Jesus did.

Let Your glory shine through my life, and let the life of Your Son guide my heart.

He holds authority over all things.

Help me trust in His power, His mercy, and His promise of eternal life.

May my words and actions today honour You.

Amen.

Year 6 Mass – 20.5.26

– 7th week of Easter

Year 6 led our Mass this week on Pentecost. They prayerfully reflected on the outpouring of the Holy Spirit on the disciples at Pentecost.

Our next Mass – Y5 Mass – The Holy Trinity

Our next Mass in Church will be on Wednesday 3rd June, starting promptly at 9:15am. Year 5 children will be leading our Mass and Year 4 children will be attending.

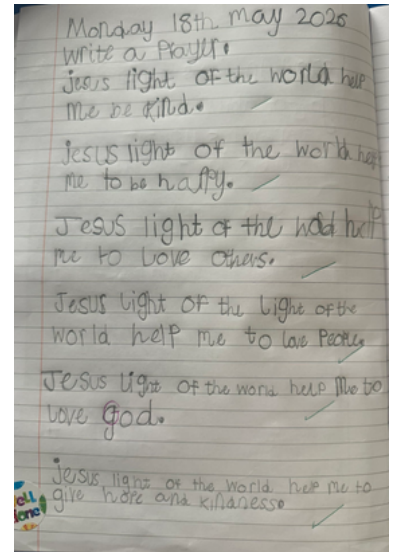

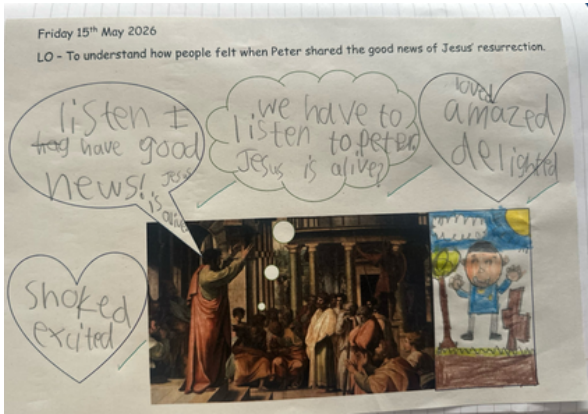

All parents are welcome to attend.

RE

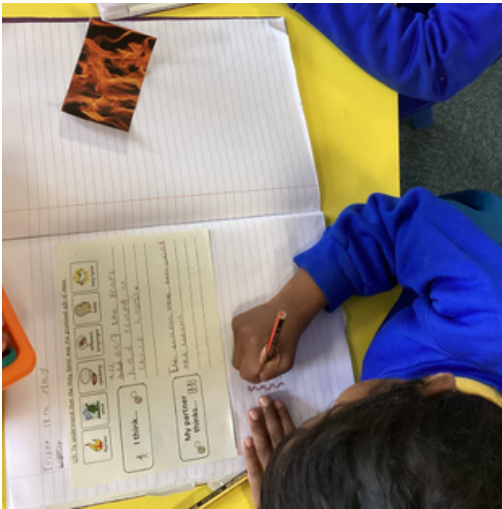

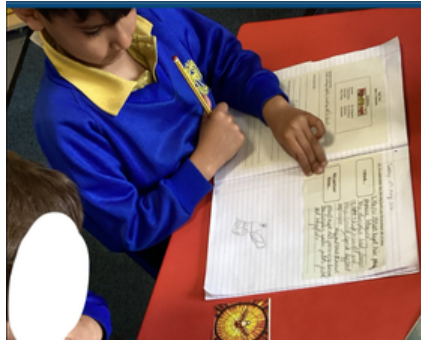

Year 1

learned about when Peter shared the Good News that Jesus has risen. They considered how the people felt upon hearing the Good News and imagined how they would have felt if they were there. They have also been writing Easter prayers.

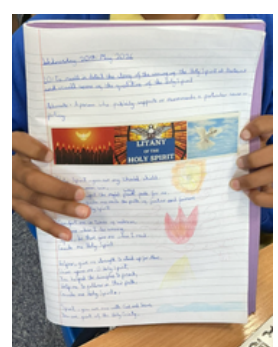

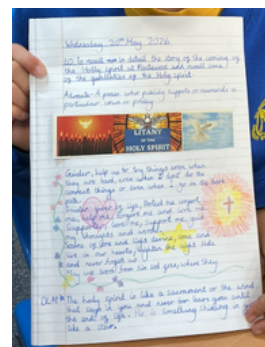

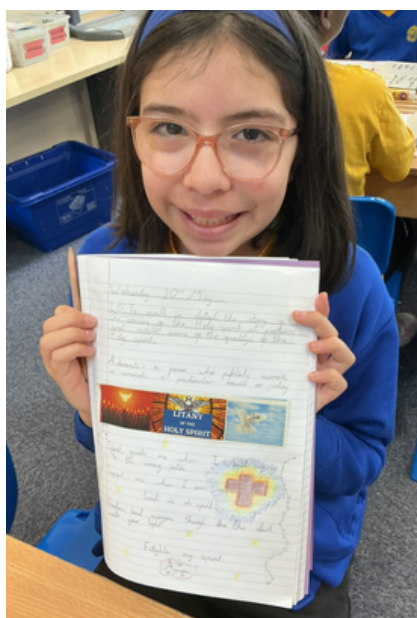

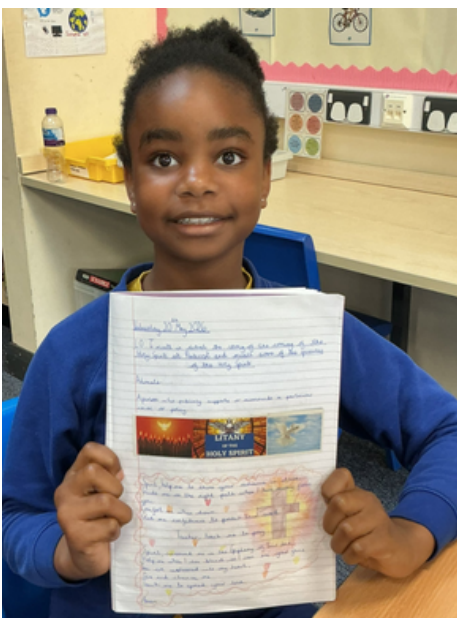

Year 2

enjoyed learning about Pentecost this week and understand that the Holy Spirit was the special gift Jesus promised.

Year 5

showcased their creativity as well as their spirituality by writing prayers about the Holy Spirit.

PRAYER

Child-led prayer

Child-led prayer focused on Pentecost this week as the children prepared and led some wonderful prayer services.

Prayer Bags
Thank you for your photos showing us how much children enjoy using the Prayer Bags at home!

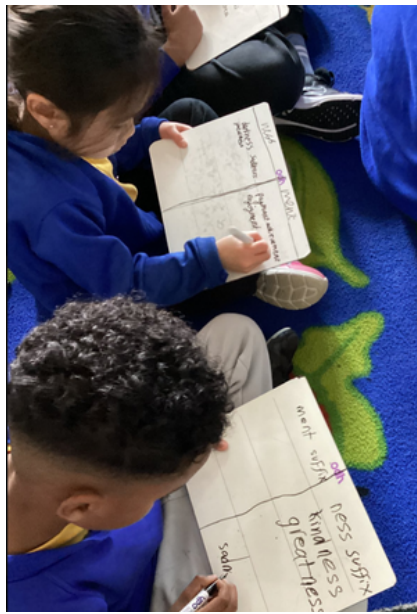

Reception Assembly
Reception were superstars in their very first assembly! They shared their learning about Pentecost and how they are trying to be disciples of Jesus by sharing the good news with others!

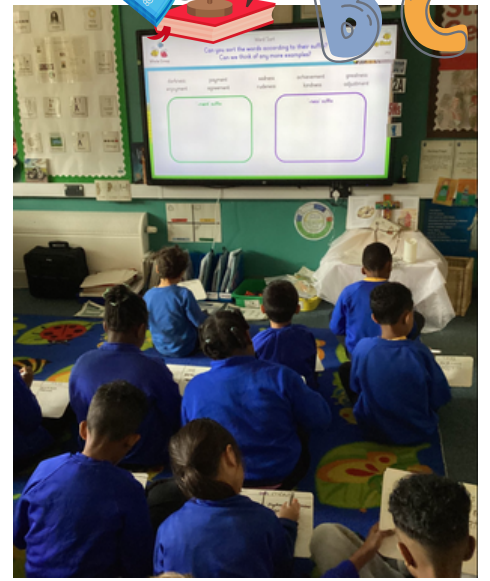

CURRICULUM

Reception enjoyed exploring 2D and 3D shapes in their Maths learning. They used different language to describe the shapes

Year 1 learnt about the features of a tree in Science

In English, Year 2 tackled the suffixes "-ment" and "-ness" with confidence and curiosity.

In Maths, Year 3 worked hard on their Roman Numerals this week.

Year 4 edited their Exciting Writing about April meeting Bear inspired by The Last Bear.

In English, Year 6 recapped the features of a Non-Chronological Report in preparation for their reports about Natural Disasters!

Year 5 had an incredible day on their trip to the Wyre Forest on Friday

CELEBRATING SUCCESS

Well done to Elsie who took part in the Race for Life on Sunday. The determination, enthusiasm, and commitment shown to such an important cause is truly inspiring. We are so proud of you!

Well done also to Sebastian who was awarded silver at the British Open Ju-Jitsu championships held over the weekend. What a fantastic achievement – we are so proud of you!

Finally, we're thrilled to share the success of Coach Red and Alvechurch FC who were awarded 'Best Community Club' in the country. The awards ceremony took place at Wimbledon FC which is also Coach Red's favourite club. We're so fortunate to have Coach Red and the fantastic team of coaches from Alvechurch FC as part of our offering here at St Mary's!

Statutory Testing

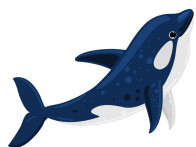

Please note the following:

- Year 4 Times Tables Check from **Monday 1st June 2026** for 3 weeks
- Year 1 Phonics Screen Check takes place w/b **Monday 8th June 2026**

Please do not book holidays for any of the above dates.

Further details will be given out nearer the time.

World Oceans Day – wear blue on Friday 5th June 2026

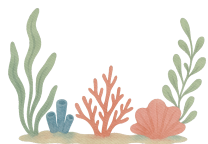

We are excited to announce that on **Friday 5th June 2026**, our school will be celebrating World Oceans Day. This year, we are supporting the Marine Conservation Society, a registered charity dedicated to protecting our seas, shores, and wildlife. To show our support, we invite all children to wear blue and, if possible, donate £1 to the Marine Conservation Society (Registered charity in England and Wales 1004005) via School Gateway.

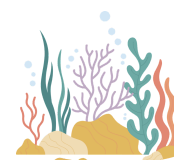

Additionally, we are pleased to welcome Severn Trent, who will be delivering assemblies to all children and conducting workshops for Year 4 students. This will be a fantastic opportunity for the children to learn more about the importance of our local water systems and the steps we can take to preserve them.

Ahead of 05.06.26, there is also a special half term challenge for children to undertake – details can be found below!

We appreciate your support in encouraging your children to participate in this important event. By wearing blue and making a small donation, they will be part of a global movement to protect our precious marine environments.

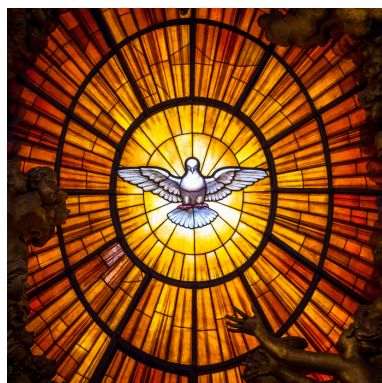

Thank you for your cooperation and generosity.

Year 6 Confirmation Mass – 5.6.26 at 7pm

Our Year 6 children will be making their Confirmation on **Friday 5th June at 7pm**

We look forward to welcoming Bishop David to St. Mary's

Holy Communions

6.6.26 10:00am

6.6.26 2:00pm

Our Year 3 children will be making their First Holy Communion at St. Mary's Church on this weekend. This marks the third major step on the children's journey of faith, when the children receive the sacrament of the Eucharist for the first time.

To celebrate that many of the children will have made the Sacrament of Holy Communion, we invite all Y3 children to bring in their Holy Communion outfit/smart clothes, to school on Wednesday 10th June 2026. The children will wear their clothes/outfits to their Y3 Mass in Church on that Wednesday morning at 9:15am and will receive a special blessing from Fr. Hilary. All families are welcome to this Mass. Following the Mass, the children will have a little celebration in school before changing back in to their school uniform/PE kit.

Week beginning 8th June 2026

Please bring in Holy Communion outfits, in a named bag or on a named hanger. Please do not bring 'accessories' e.g. bags, gloves, veils and jewellery as we do not want anything to be lost/damaged.

Sports Day for Year 4, 5 and 6 – 10.06.26

Years 4, 5 and 6 will be heading to Tudor Grange Stadium for their Sports Day—a highlight of the school year and an experience the children absolutely loved last year! It's a fantastic opportunity for them to compete, cheer each other on, and enjoy the excitement of a real stadium setting. Children should come to school in their PE kits with a water bottle and arrive promptly for 8:30am, as the coaches will be leaving at 8:45am. Parents are very welcome to attend and enjoy the event from the designated spectator area.

Year 6 Residential – Alton Castle

15th to 17th June 2026

If your child is going to Alton Castle and you were unable to attend the meeting on 30/04/2026, please ensure that you pick up an information pack from the School Office.

A polite reminder also that the second instalment of £50 was payable by Friday 15th May.

Half-Term Challenge: Care for Our Blue Spaces

To celebrate **World Oceans Day**, we are inviting children to explore and help protect their local “blue” spaces such as a river, sea, lake, canal or pond. We are doing this as part of our summer theme of Stewardship, where we learn about caring for God’s creation and taking responsibility for the world He has given us.

This also links closely to our work as a Rights Respecting School, where children learn to take action and understand the importance of the UN Convention on the Rights of the Child. In particular, children have the right to be safe and to have access to clean water, and by looking after our blue spaces, they can play an active role in protecting these rights for themselves and others.

What to do:

Visit a blue space

During half-term break go with an adult to a nearby river, sea, lake, pond or canal.

Observe and think

Is the water clean or dirty?

Can you see any wildlife?

Is there any rubbish around?

Take action

If it is safe and you are with an adult, help pick up some rubbish (use gloves if possible).

Take photos

A picture of your blue space
A photo of you helping (if possible)
Before and/or after cleaning

Share your work with us

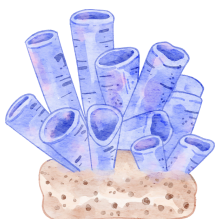

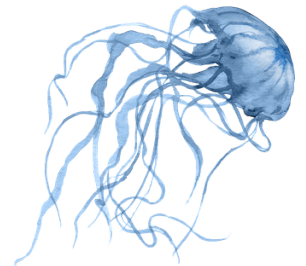

Send your photos to: enquiry@stmaryrc.bham.sch.uk **FAO** Your class teacher.

Optional extras:

Draw or write about what you saw

Count how many pieces of rubbish you collected

Share one way we can keep water clean

New School Menus

Please see the new menus below which are starting after half term. Please note, any changes to your child's meal patterns must be communicated to the School Office in advance.

CITY KITCHEN YOUR MENU Week ONE				
Monday	Tuesday	Wednesday	Thursday	Friday
Sausage Roll	Meatballs in tomato sauce with Pasta	Roast Chicken or Quorn Roast with Yorkshire Pudding & Gravy	Assorted Sandwiches Served with Potato Wedges	Margherita Pizza

Parent/Carer Information

What Parents & Educators Need to Know about **WHATSAPP**

AGE RESTRICTION
13+

WhatsApp is a free messaging app owned by Meta, allowing users to send text and voice messages, share multimedia, make video calls, and chat in groups. With end-to-end encryption, only the sender and receiver can view messages. This may offer privacy, but it also comes with risks that parents and educators need to be aware of.

WHAT ARE THE RISKS?

GROUP CHAT PRESSURES

Group chats enable multiple users to message in the same space, but this can also make it easier for young people to feel excluded or overwhelmed. Negative comments can escalate quickly, and young people may feel pressure to respond or stay engaged even when the conversation is uncomfortable or upsetting.

SCAMS TARGETING YOUNG USERS

Scammers are increasingly using WhatsApp to trick users into sharing personal information. Common scams include fraudsters posing as family members in an emergency or tricking users into revealing security codes. These can lead to identity theft or access to private conversations.

DISAPPEARING AND HIDDEN MESSAGES

WhatsApp offers features like disappearing messages and 'Chat Lock', which can give users a false sense of security. While intended to protect privacy, they can be used by young users to hide inappropriate conversations or content, making it harder for adults to spot potential issues.

EXPOSURE THROUGH CHANNELS

'Channels' are an optional feature that allows users to follow updates from public figures or organisations; however, there is no way to block this feature or filter its content by age. Young users may encounter adult or distressing content, including misinformation and harmful ideologies.

UNWANTED CONTACT AND LOCATION SHARING

WhatsApp users can share their live location, and if not managed carefully, this can allow others – even those in mutual groups – to track someone's whereabouts. Also, without the right privacy settings, young users may be contacted by strangers.

COMMERCIAL AND AI CONTENT

WhatsApp now includes ads in the 'Updates' feed and has introduced an AI assistant – Meta AI – across the app, which cannot be removed. These additions raise concerns about targeting, privacy, AI use, and the type of content children and young people might interact with.

ONLINE

...ONLINE...

SECRET CODE

Advice for Parents & Educators

REVIEW PRIVACY SETTINGS TOGETHER

Help young users check who can see their profile photo, status, and location. Activate the 'Silence Unknown Callers' setting and set group chat invitations to 'My Contacts' or 'My Contacts Except...' for added safety.

BE OPEN ABOUT HIDDEN CHATS

Discuss why children and young people might use features like disappearing messages or 'Chat Lock'. Encourage them to share if something made them uncomfortable, even if the messages are gone. Let them know that privacy should not mean secrecy.

TEACH HOW TO SPOT SCAMS

Encourage caution around unusual and unexpected messages, especially if they involve money or codes. Help young users understand the signs of scams and what to do if they receive a suspicious message. Enable two-step verification to add an extra layer of protection.

TALK ABOUT ADVERTISING AND AI

Explain that WhatsApp now includes ads and AI tools. Discuss the difference between genuine and sponsored content, and the potential for AI to share inaccurate or age-inappropriate responses. Encourage young users to think critically before trusting or interacting with these features.

Meet Our Expert

Dr Claire Etherington is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and eating behaviour of young people in the UK, USA and Australia.

**The age rating for WhatsApp is 13 years.
Users must be at least 13 to create an account.**

Parent/Carer Information

Summer water safety

Accidents are mostly preventable with the correct knowledge and judgment and here are our tips to staying safe in the water during the summer:

To enjoy the water safely and make the right call...

- **Enter slowly and carefully**
Think carefully about your ability to splash or swim in cold outdoor water. 49% of those who lost their life were classified as swimmers*. Are you really a good swimmer?
- **Stay within reach**
Don't go too far and stay within a standing depth.
- **Always be supervised**
Over 70% of fatal accidents occur in the absence of professional supervision. Seek life guarded areas and always make sure some one is available to raise the alarm.

Summer is an amazing time to enjoy our beautiful waterways but we must be mindful that warmer weather is directly linked to an increase in fatal drowning incidents.

Rivers and Lakes/Lochs pose the greatest statistical risk as there are often hazards that the average person is equipped to handle and there is a lack of professional supervision.

In an emergency...

- **Call 999**
If you are at the coast, call 999 and ask for the Coastguard. Don't enter the water to rescue.
- **If you're in trouble FLOAT and call for help**
Fall in or become tired – stay calm, float on your back and call for help. Throw something that floats to somebody that has fallen in.

STOP AND THINK

STAY TOGETHER

CALL 999

FLOAT

We are an operation encompass school. Therefore school is working alongside the police to ensure support for any child who has been involved in or witness to domestic abuse. Please find more information about this on our website or contact the school office.

Pastoral Team

If you require any support from school please speak to a member of our pastoral team

If you require any support from school please speak to a member of our pastoral team

If you have a concern that a child is being harmed, is at risk of harm, or you receive a disclosure (intentionally or unintentionally) you must contact one of the following staff members as quickly as possible:

Laura Noone

Birchenall
SENDCo

Do not book holidays during term time

This is a reminder that holidays during term time are unauthorised. If you intend to take your child out of school during term time, we ask that you complete a holiday request form at least 2 weeks prior to the leave date where possible. Parents may be fined by the Local Authority for taking unauthorised leave of absence. Children need to be in school every day so please ensure holidays are only booked during school holiday time.

Good attendance, continues to be a school and government priority. Good attendance is 96% and above

Remember below 95% is a concern and below 90% is classed as persistent absence. If you have any problems with regards to getting your child to school or you are struggling to improve your child's attendance, please speak to Mrs. Yorke or Mrs. Noone.

We will announce the attendance for the previous week in this section of the newsletter each week.

Attendance and Punctuality: -

Our attendance for last week was -

Star of the week

Congratulations to the following children who have shone in school over the last week:

- Year RB Lucian For his excellent painting of the very hungry caterpillar in UTW! He used a variety of different shades of green.
- Year RT Hana LG For fantastic progress in phonics and for being a wonderful role-model when walking around the school!
- Year IF Zikora For working hard in all areas and living out St Mary's mission in all that she does
- Year 1L Sakura For always trying hard in everything that she does and being such a great role model for the class.
- Year 2E Brando For a huge improvement in his reading
- Year 2G Issac For trying really hard with his SATS!
- Year 3L Zikora For always being resilient and making good choices, even when it is challenging!
- Year 3T Florence For working hard this week and showing excellent team work
- Year 4J Tomas For great collaboration when creating a multiplication game in Computing!
- Year 4M Sophia For a creative narrative including rich detail and imagery as well as thoughtful contributions in English lessons.
- Year 5F Victoria For her focus on her learning and being a calm class member
- Year 5M Amelia For always striving for excellence! So proud of you!
- Year 6O Arthur G Incredibly insightful work in RE and such hard work in all of his lessons!
- Year 6R Abigail S For always working incredibly hard and being a fantastic role model to others.
