4th April 2017

Dear Parent

Y2P Class Mass – Friday 7th April

Our Y2P children will be celebrating Mass together on Friday in their classroom. This is an ideal opportunity to prepare for Holy Week. Please join us. Mass begins at 9:15am. All welcome.

Stay and Pray

Our final school meditation takes place tomorrow. We begin at 9:00am and it lasts for approximately 10 minutes. All welcome.

Easter Bonnet – Reception

Our Reception class children will parade their 'home made' Easter bonnets tomorrow. The celebration begins at 9:30am in the school hall. Please be here in good time – why not join us for our 'Stay and Pray' first? The children are well rehearsed and the singing is really beautiful. All welcome.

Holy Week - 2017

As always, we hold a collective worship each morning of this holiest of weeks.

Y3 – Entrance into Jerusalem; Y4 – Last Supper; Y5 – Gethsemane; Y6 – The Passion

Please join us and share with us in prayer and reflection of these key events in our Christian history – the history of our Salvation. All welcome. We begin each morning 9:15.

NB: - Y6 The Passion will be in the Church on Thursday morning and begin at 9:30am

Friday Almsgiving

This week we are collecting silver coins. The children will collect and count them during a fun afternoon. I am hopeful that next week we can provide a grand total. Thank you so much for your ongoing generosity and support.

PARKING PARKING PARKING PARKING PARKING PARKING PARKING

This continues to be a serious issue outside of our school with some parents still parking illegally and without due care and attention to the safety of our children and families. PLEASE be responsible about your parking patterns. The parking attendant has been out and will continue to do spot checks.

Holy Week is a time to contemplate the gift of the Cross of Love and come into contact with the depths and heights of God's love, mercy and forgiveness.

Yours sincerely,

H M Cusack
