What do we do at St Mary's?

- Securus monitoring software on all devices
- Online safety is taught as a key part of our curriculum throughout the whole school as well as in computing and RSE.
 - This covers what the children should do if there is a case where they have seen something which made them uncomfortable as well as who they can come to for support.
- Anti-bullying policy
- School Newsletter
 - Up to date communication regarding online safety.

How can we keep our children safe at home in an online world?

- Setting boundaries
- Privacy settings / child accounts
- Safer searching e.g. Kidrex
- Internet matters resources
- Use the internet in a shared space

What is this session for?

The aim of this session is for you to have some time to look through some different resources and discuss with other parents ways that we can keep our children safe in an online world.
