12th January 2021

Dear Parent

January is dedicated to the Most Holy name of Jesus

School Safety – Children and Staff currently in school:

Please be mindful that should any child or adult working within a bubble test positive for COVID, the school will close that bubble in order for them to isolate. We have reviewed our risk assessment and are doing our level best to keep all staff and children safe and well. We rely on you doing the same, following rules and regulations, to prevent a complete school closure.

We currently have some staff and children who are isolating and this includes members of our Senior Team. Our current provision is precarious and we need to protect, as much as we can, the provision we have in place for our critical frontline workers – **who cannot work from home!**

"What do you think
success is?" asked the boy

"To love," said the
mole

On Line Learning

Thank you so much for the affirmative comments about our on-line learning – including the live learning sessions. The participation has been excellent. Teachers and support staff are delighted with the way our children are demonstrating their willingness. This, in and of itself, is a great life lesson. Thank you for loving and supporting them.

Inclement Weather

Please keep an eye on our school website, should weather conditions prevent us from being able to open school. We will also text parents, please make sure that all updated contacts have been forwarded to the school office via our enquiry@stmaryrc.bham.sch.uk address.

Stay safe and keep well!

Yours sincerely,

HMCusack
