19th June 2018

Dear Parent

The Month of June is dedicated to the Sacred Heart of Jesus

YRW Class Assembly

Please join our Reception children – Mrs Russell and Mrs Woulfe's class - as they lead our collective worship on Friday, 22nd June. Assembly begins at 9:15am. All welcome.

Party in the Playground

We owe so many thanks to the PTA Committee who worked tirelessly to ensure that this year's PiP was the roaring success it proved to be. To all our parent supporters who ran stalls, stepped in to support where and when required; to those who remained to the end of the evening to clean up; to Mr Reid who entertained us so beautifully; to the children who danced, played and enjoyed; to those parent who provided specific, and invaluable, items i.e. tables, fridges, cars etc - you have shown us what a wonderful community St Mary's can be when positivity and harmony lend a hand. My gratitude to you all. Thank you so much.

Lourdes 2018

At the time of your reading this, we should be safely landed in France. We return on Saturday. You, your families and loved ones will be remembered in prayer at the Shrine of Our Blessed Mother. Mrs Jones and Mr Clinton will be available should you need to speak with a member of the Senior Leadership Team during this time.

Parking and Prevention ...

Preet Kaur Gill, MP for this area, has kindly agreed to support our application for closer monitoring and safety systems around our school. We continue to rely upon your good selves to park with a safe mind-set and in compliance with the rules of the road. Thank you for keeping our children safe.

Reminder: Sports Day 2018

We have pencilled in **16th July** as our day for the children to participate in some active competition and fun. Infants – am and juniors – pm. More details will follow nearer to the time.

E-safety Tip of the Week: The internet / social media is a wonderful place to waste time. Use it for what you need, and then log off. There are better ways to spend your time.

Thought (and practice) for the week...

**“Great minds discuss ideas.
Average minds discuss events.
Small minds discuss people.”**
