7<sup>th</sup> July 2020

Dear Parent

## July is dedicated to the Most Precious Blood

### Children in School

We have welcomed our Y6 children for the final two weeks of this term/school year. There is no room to cater for any more children due to space and staff limitations. However, all teachers will be sending out a video message to their new class and these will be uploaded next week. All children (and parents) will be able to put a name to a face, at least!

We will also be sending out a school message to all of our children – remembering those who remain at home particularly - as we end this school year and look forward to a school-based year 2020/2021.

### Y6 Mass – Friday 17<sup>th</sup> July

We are planning to celebrate a final mass of this school year in thanksgiving for all that we have been blessed with (and we all have many blessings to be thankful for) and to mark the end of primary school life for our Y6 children. **The mass is only open to our Y6 children and parents due to the current restrictions that we must abide by\***. We would like **all of our Y6 children** to attend even if they have elected not to attend school for these final two weeks. There will be no video / live stream of this mass; **ALL** must wear face masks and keep distanced of 1 metre minimum. St Mary's Parish has already identified spacing and, as a school family of children and parents, we will follow these plans. We would be grateful if you could let us know, those not currently in school, if you intend to be present for this final celebration.

*\*There are a number of masses that you can attend at St Mary's from next week – please see Parish Newsletter for details.*

## The God who Speaks to us – do not fear!

**Do not be anxious about tomorrow,  
for tomorrow will be anxious for itself.  
Let the day's own trouble be sufficient for the day.**

### Summer Holidays

St Mary's will not be open to any children during the official summer break i.e. from 18<sup>th</sup> July until the children return on 3<sup>rd</sup> September. Thank you.

Yours sincerely,

*H.M. Cusack*

Headteacher

13<sup>th</sup> week in Ordinary Time
