Headteacher: Mrs L. J. Yorke M.Ed.

St. Mary's mission: To love God above all things by: learning together, loving ourselves, loving each other, loving all people, loving life itself and constantly striving for excellence worthy of our God-given gifts.

April is dedicated to the Holy Spirit

Our theme for the Summer term is: 'Stewardship'
Our virtues for this half term are: - 'Grateful and Generous'

Dear parents and carers,

24th April 2026

It has been wonderful welcoming the children back after the Easter break and seeing how quickly they have settled into the rhythm of this new half term. Their enthusiasm for learning has been clear from the moment they stepped through the doors, and our classrooms are already filled with curiosity, collaboration, and a real sense of purpose.

Introduce our theme and virtues for this term: This week, our focus on stewardship has sparked some exciting learning across the school. Children have been engaging in thoughtful discussions, hands-on activities, and creative lessons designed to launch our theme in meaningful ways. It has been inspiring to watch them explore what it means to care for one another, our school, and the wider world.

Filming: We were also delighted to welcome a videographer into school this week to capture a snapshot of life at St Mary's. It was a wonderful opportunity to showcase everything that makes our community so special. We are incredibly proud of the high standards we uphold, the talented and dedicated teachers who consistently go above and beyond, and of course, our bright, happy children who bring such joy and purpose to our work each day. Their enthusiasm and our collective commitment to excellence are reflected in our outcomes, which continue to be well above national averages, and in the long waiting list of families eager to join our school. It was fabulous to see all of this captured on film, and I look forward to sharing the finished video with you once it is ready.

Summer uniform: Children are now able to wear their Summer Uniform, which consists of a yellow Summer dress and black school shoes for the girls; and grey shorts, yellow polo shirt and black shoes for the boys. Children can also continue to wear winter uniform – particularly with the changing weather. PE kits must be school colours – with blue shorts or tracksuit bottoms, yellow t-shirt and black pumps or trainers. We take great pride in our uniform and it is important that children are wearing correct uniform even on PE days.

Girls' Summer Uniform

- Yellow summer dress
- Black shoes

Boys' Summer Uniform

- Grey shorts
- Yellow polo shirt
- Black shoes

PE

- Blue shorts
- Yellow t-shirt
- Black, blue or white trainers / black indoor pumps

Wishing you all a happy weekend
Louise Yorke, **Headteacher**

CATHOLIC LIFE

This week's Gospel

Luke 24:27

'And beginning with Moses and all the Prophets, He explained to them what was said in all the Scriptures concerning Himself.'

Reflecting on this week's Gospel, we learn: -

- Know that He is with us always.
- Understand that we sometimes need help to see things clearly.
- Recognise and see Jesus with eyes of faith
- Know that Jesus is the Way, the Truth and Life, and we celebrate this during Eastertide.

Loving God,

As we reflect on the disciples on the road to Emmaus, open our eyes to recognise Christ walking with us in the ordinary moments of our school day.

When we feel tired, uncertain, or weighed down by responsibility, warm our hearts with your presence and renew our hope through your Word.

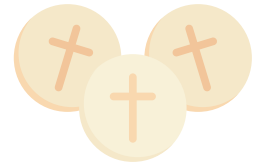

Help us to listen deeply, to journey patiently with one another, and to make known your love in the way we teach, lead, and serve.

May we recognise Jesus in the breaking of bread and in the lives of the children entrusted to our care.

Through Christ our Lord. Amen.

Masses

Year 2 Mass - 22.5.26 - 3rd week of Easter

Votive to St. George

Year 2 led our Mass this week, in honour of the Third Week of Easter, rejoicing in the light of the Risen Christ. We also celebrated Year 2G's class saint, St. George, giving thanks for his courage and faith.

Our next Mass - Y4 Mass - 4th Week of Easter

Mass for St. Catherine of Siena

Our next Mass in Church will be on Wednesday 29th May 2025, starting promptly at 9:15am. Year 4 children will be leading our Mass and Year 3 children will be attending.

All parents are welcome to attend.

CATHOLIC SOCIAL TEACHING

St. Basil's visit to Year 4

We were delighted to welcome Esther from St Basil's, who shared powerful insights into how homelessness affects young people and how contributions like ours can genuinely transform their lives. Thank you families for your kind donations and to the children of Year 4 for driving this Social Action.

STEWARDSHIP

Our Building the Kingdom theme this term is Stewardship. The classes launched the theme this week with an exciting stunning start...

Year 1 -

Year 1 received a letter from Greenpeace asking for their help to look after the planet. They then designed beautiful posters where they reflected on how they could be a good steward of God's creation.

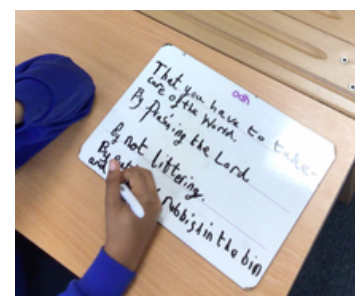

Year 2 -

Year 2 invited Mr Reid, the school's Site Manager, to come and talk to them about how he looks after the school environment and cares for the plants.

Year 3 -

The children looked at a world forgotten and a world taken care of. They thought about what stewardship means and how we can take care of creation.

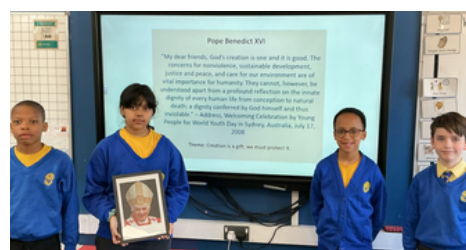

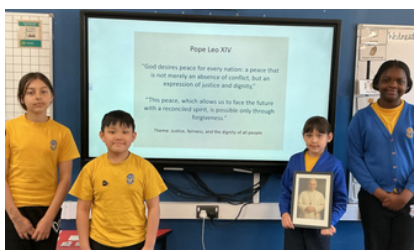

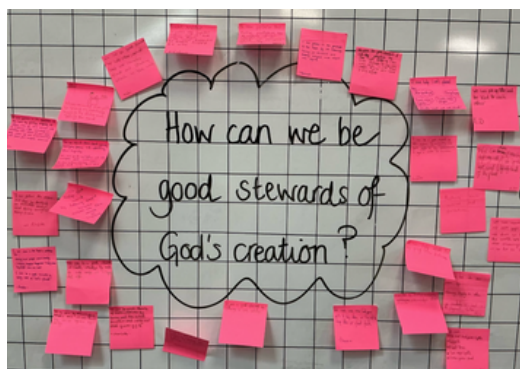

Year 4 – Need vs greed

Year 4 took part in a thoughtful sorting activity, using everyday scenarios to spark discussion about how our choices impact both people and the planet. They then explored the idea of need vs greed through a hands-on Lego challenge, building towers with unequal resources – where some had far more bricks than they needed while others had too few. This powerful activity helped them see how greed affects others and why fairness and balance matter.

Year 5 – Voice of the Popes

Children in Year 5 have been thinking about this term's theme of stewardship and what it means to be good caretakers of God's Earth. They explored how we are all called to look after creation responsibly, just as our current and recent Popes have encouraged. Through discussion and reflection, pupils considered the small but meaningful ways we can protect and cherish the world around us, recognising that stewardship is a shared responsibility rooted in faith and compassion.

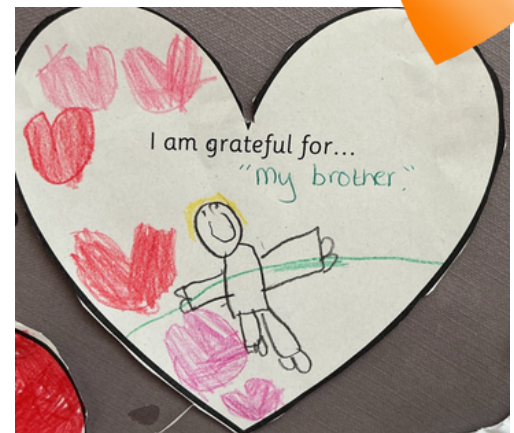

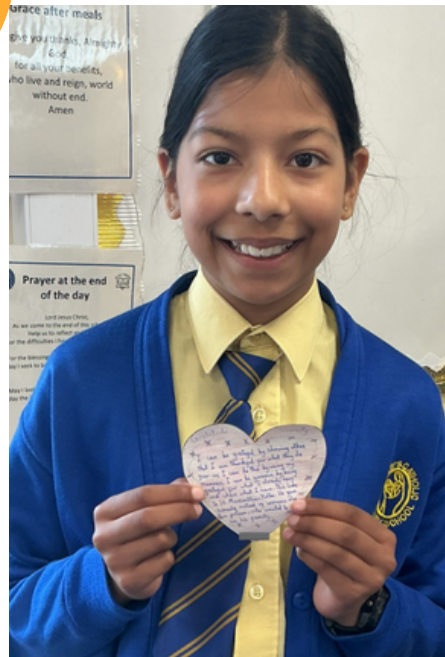

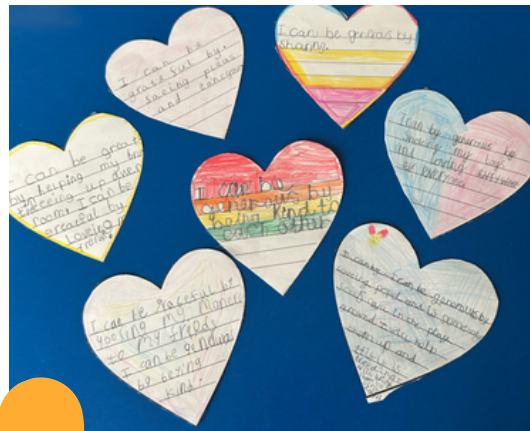

Year 6 – The beauty of God's creation

Children explored different Psalms that praise God's creation and are now creating their own artwork to represent them. Using short, powerful verses such as "The heavens declare the glory of God" or "Lord, how majestic is your name in all the earth," they reflected on the beauty of the world and how it points to God's creativity. Inspired by these images and words, pupils have been crafting expressive pieces that capture where they see God in creation, what gifts it shows, and how it makes them feel. Their responses were wonderfully thoughtful and poetic.

Virtues - Grateful and Generous

This half-term, the children will be learning about the Jesuit virtues of being grateful and generous. We are encouraging them to recognise and appreciate their own gifts, so that they can be generous in their service of others. This links beautifully to our theme of stewardship – being grateful for God’s creation, our one common home, and being generous in how we care for it. To deepen this learning, children are creating a virtues tree display for their classroom, adding new leaves each half term to show how they are living out these virtues in their daily actions.

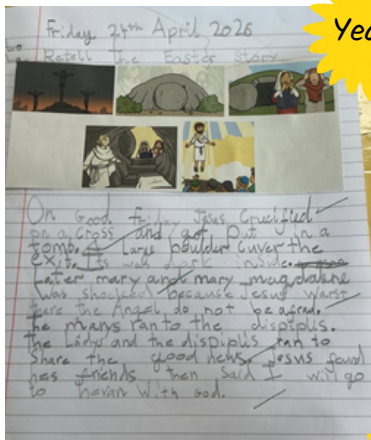

grateful

PE

Pot plants and flowers for Our Lady – Throughout May

During the month of May, we invite children to bring in flowers as a sign of our love and affection for Our Lady. We encourage children to bring in pot plants that can be displayed on class prayer tables and then planted in the prayer garden at the end of the month.

God our Loving Father,

you called each of us by name through the Sacrament of Baptism to holiness.
Through the gift of the Holy Spirit, you made us the temples of the Holy Spirit.

Help us to listen to the cry of our Lord Jesus from the Holy Cross 'I thirst'
and respond to the call

'Go out to the whole world and proclaim the good news to all the nations'.

Guide us in every step we take in life

and lead us in every decision we make in responding to your call.

Make us and mould us into the living images of Christ your Son,

who was always close to those in need.

We make this prayer through Christ our Lord,

Amen.

Vocations Sunday – 26.4.26

We celebrate Vocation Sunday on the fourth Sunday of Easter 'Good Shepherd Sunday' –

This year, 26th April 2026, marks the 63rd

Anniversary of World Day of Prayer for

Vocations. Perhaps you will say the prayer with your family at home, this Vocations Sunday.

Green Clothing for St Gianna's Feast Day – 28.04.26

In celebration of the feast day of St Gianna on 28.04.26, all children in the St Gianna House may wear green clothing to school on Tuesday 28th April.

Important Notice

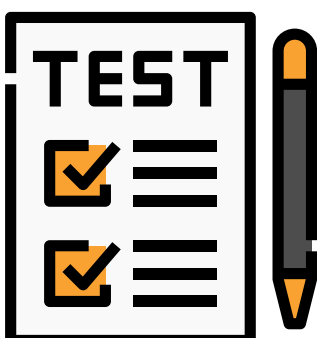

Please note, school is closed on the following days:

Monday 4th May – May Day Holiday

Thursday 7th May – Polling Day

Key dates for your diary

SATs Week for Year 6

Children in Year 6 will be taking their SATs Tests from

Monday 11th May – Thursday 14th May 2026.

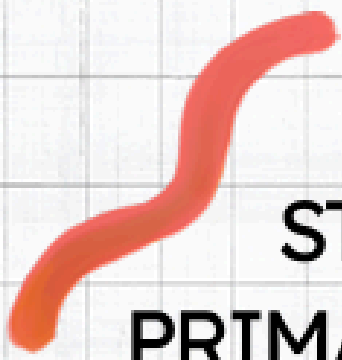

All Year 6 children are required to be in school every day during SATs week.

Support our PTA!
Our PTA plays a vital role in enriching school life by bringing families and staff together, fundraising for extra opportunities, and helping to create a warm, supportive school community.

The poster features a central image of three people playing netball. A woman in a blue jersey with 'C' on it is on the left, a man in a blue jersey with 'GK' on it is in the middle, and a woman in a red jersey with 'GS' on it is on the right. They are all holding netballs. The background is a bright, sunny outdoor setting with a netball hoop and net. The text on the poster includes:

Safety Information for Parents/Carers

What Parents & Educators Need to Know about STREAMING SERVICES

Streaming services are platforms that allow users to watch cartoons, documentaries and movies online immediately (often referred to as SVOD: streaming videos on demand). Ofcom reported that children and young adults prefer streaming services to traditional TV. With two-thirds of UK households subscribing to at least one streaming service, parents must understand how to manage screen time, set age restrictions and ensure safe viewing.

WHAT ARE THE RISKS?

COSTLY

Subscription services can be costly. As the main source of entertainment, most households have at least one streaming platform, and each platform has its own monthly subscription fee. Services are charging more for ad-free viewing, and better quality and resolution; however, there is a cheaper option with adverts. Due to price increases, Netflix and Disney+ reported a sharp increase in users subscribing to their ad-supported tier in 2025.

ILLEGAL STREAMING

Sharing passwords or using modified Fire Sticks to access streaming content without permission is illegal. Most streaming services have now put measures in place to detect account sharing. When account sharing is identified, platforms will offer an opportunity to pay for an added member or will ask the user to verify who they are.

AGE-INAPPROPRIATE CONTENT

Most streaming platforms allow users to set up a profile for each family member, with the option of putting specific restrictions in place. These include adding a profile lock or PIN, controlling autoplay of previews and next episodes, and limiting content based on age ratings. Nonetheless, these restrictions aren't foolproof. Content which is rated as suitable for an age group may still include themes, language, or images which children and families find inappropriate.

EXCESSIVE SCREEN TIME

Excessive screen time contributes to sedentary behaviour and can negatively impact physical and mental health. Ofcom found that 4- to 15-year-olds averaged 2.5 hours per day across all video-sharing platforms, not including gaming. The vast range of content available, combined with features such as autoplay, makes it easy for children to watch for extended periods of time.

BINGE WATCHING

Features such as autoplay make it easy for viewers – especially young people – to continue watching episodes without a break. This can foster unhealthy and addictive patterns, such as consuming a vast amount of content in one sitting. With binge watching come a lack of social interaction, lack of physical exercise, and often late nights and sleep disruptions which impact their mental and physical wellbeing.

HARMFUL STEREOTYPES

Many platforms track viewing habits, time consumed, and preferences, and generate recommendations to encourage your child to keep watching. This results in your child being in a 'loop' whereby they think the 'recommended' shows would be something they would enjoy rather than thinking critically for themselves. This can shape their beliefs, values, and understanding of the world from a young age without even realising it.

Advice for Parents & Educators

SET UP INDIVIDUAL PROFILES AND ADD PINS

Almost all streaming services allow users to set up individual profiles where each family member can have age restrictions put in place for the content they can view. Adult profiles can be protected through the use of PIN. Keep this private. Use the options of putting specific restrictions in place such as controlling autoplay of previews and next episodes, and limiting content based on age ratings.

MONITOR AND TALK OFTEN

Discuss with your child what they are watching, find out which programmes are trending, and watch them yourself. Have a little look at their watch history to check the content of what they're watching. Some platforms have been known to recommend or autoplay older or graphic content after a child's movie has been played. While some TV shows or movies may have a suitable age rating, your child may still find the content scary, or it may explore themes you don't want to explore with your child yet.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator, and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government, comparing internet use and sexting behaviour of young people in the UK, USA, and Australia.

TALK ABOUT ALGORITHMS

Talk to your child about how streaming services track what they watch, and base adverts and recommended shows/movies on previous viewing. Encourage them to critically think about whether the recommendations are suitable and how they want to spend their time. Discuss stereotypes with your child and challenge them to think about what they watch and how this may influence their beliefs.

SET TIME RESTRICTIONS

Many streaming services offer the opportunity to buy movies, or add additional features to your subscription such as sports channels, as well as play games. This can increase the amount of time young people spend sitting idly in front of the screen. Some platforms (e.g. Apple TV+) allow you to set screen time restrictions. If the streaming service doesn't allow you to set screen time limits, set a family rule and stick to it.

We are an operation encompass school. Therefore school is working alongside the police to ensure support for any child who has been involved in or witness to domestic abuse. Please find more information about this on our website or contact the school office.

Pastoral Team

If you require any support from school please speak to a member of our pastoral team

If you require any support from school please speak to a member of our pastoral team

Do not book holidays during term time

This is a reminder that holidays during term time are unauthorised. If you intend to take your child out of school during term time, we ask that you complete a holiday request form at least 2 weeks prior to the leave date where possible. Parents may be fined by the Local Authority for taking unauthorised leave of absence. Children need to be in school every day so please ensure holidays are only booked during school holiday time.

Good attendance, continues to be a school and government priority. Good attendance is 96% and above

Remember below 95% is a concern and below 90% is classed as persistent absence. If you have any problems with regards to getting your child to school or you are struggling to improve your child's attendance, please speak to Mrs. Yorke or Mrs. Noone.

We will announce the attendance for the previous week in this section of the newsletter each week.

Star of the week

Congratulations to the following children who have shone in school over the last week:

- Year RB Harry For his excellent sharing during playtime!
- Year RT Miya For her fantastic control of the ball in PE – super resilience and focus. Well done!
- Year 1F Joshua For having a wonderful first week back and being an excellent role-model in Year 1
- Year 1L Kian For lovely writing about what Easter is and why it is important.
- Year 2E Rogan For some excellent contributions to class discussions this week. Well done Rogan. Keep it up!
- Year 2G Oliver For drawing a lovely piece of Picasso artwork in Art.
- Year 3L Grace For her fantastic effort and hard work in French!
- Year 3T Kenneth For being a thoughtful and hard-working member of the class
- Year 4J Danaya For her contributions during our reading lessons on the Last Bear and being a role model to others!
- Year 4M Aila For insightful contributions during our Stunning Start.
- Year 5F Theodore For trying hard with his handwriting and presentation.
- Year 5M Leonor For her increase in confidence to contribute to class discussions. Keep it up!
- Year 6O Maya Continued hard work and excellence in all of her Sats revision lessons. A real example to others!
- Year 6R Charlie For showing incredible talent and care in his art lessons. Well done!
