St. Mary's mission: To love God above all things by: learning together, loving ourselves, loving each other, loving all people, loving life itself and constantly striving for excellence worthy of our God-given gifts.

May is dedicated to our Blessed Mother, Mary

Our theme for the Summer term is: 'Stewardship'

Our virtues for this half term are: - 'Grateful and Generous'

Dear parents and carers,

15th May 2026

Year 6 SATs week

I want to say a huge well done to all our Year 6 children for completing their SATs this week. We are all incredibly proud of you. You have shown such hard work, determination and resilience over the past few months, and the way you approached each test was truly impressive. Most importantly, you supported one another, kept smiling, and showed everyone what fantastic young people you are. SATs are only one small part of your journey, but the effort and character you've shown will take you far in everything you do. Now it's time to enjoy the exciting weeks ahead – full of memories, celebrations and all the fun that comes with being in Year 6!

PTA – STEM Workshop and Netball event

Today our school was buzzing with excitement as the PTA organised a fantastic day of robotics and coding for the children. It was brilliant to see the children so engaged, curious and confident as they explored new skills and challenged themselves. To round off the day, we enjoyed a brilliant after-school netball competition: Parents vs Teachers! It was a wonderful afternoon! Whether you were playing, cheering from the sidelines or helping to organise the event, you helped make it a truly memorable community moment. A huge thank you to the parents who planned and ran the event, to everyone who took part, and to our amazing PTA for everything they do to support fundraising and enrich school life. We are so grateful for your time, enthusiasm and dedication.

Allergies

We would like to gently remind all families that our school remains a nut-free environment. This is to keep all children safe, including those who have severe allergies to nuts. For this reason, we kindly ask that no nut products are brought into school. This includes peanut butter or Nutella sandwiches, snack bars containing nuts, or any other food items that may include nuts as an ingredient. Thank you for your understanding and for helping us keep every child safe and well.

Dropping off reminder

Please can we remind all families that cars must not park, pull across, or turn around in the area directly in front of the school gates. This space becomes very busy at drop-off and pick-up times, and using it for stopping or turning creates a serious safety risk for our children and families. The safety of our school community must always come first. We kindly ask everyone to park sensibly and legally, and then walk children to the gate. A short walk is a small step that makes a big difference in keeping everyone safe. Thank you for your cooperation and for helping us maintain a safe and calm start and end to the school day.

Mrs Yorke

CATHOLIC LIFE

This week's Gospel

John 14:20

'In that day you will know that I am in my Father, and you in me, and I in you.'

Reflecting on this week's Gospel, we: -

- Know that He is in us and loves us.
- Understand that He sent the Holy Spirit to be within us, guiding us.
- Remember that Jesus is the one who leads us to a close friendship with God, because He is the Way, the Truth and the Life.

**Lord Jesus,
You are in the Father,
and I am in You,
and You are in me.**

**Let this holy union be my anchor in every storm,
my light in every shadow,
and my joy in every season.
Keep my heart close to Yours,
and my life rooted in Your love.**

Amen.

Our next Mass - 6th Week of Easter - Pentecost Year 6 will be leading our next Mass in Church on Wednesday 20th May 2026, starting promptly at 9:15am. Year 5 will also be attendance and all parents are welcome to attend.

PRAYER

Child-led prayer

Our children continue to confidently and thoughtfully lead us in prayer each day. This week, they have been focusing on prayers to St Mary and the rosary as we journey through the month of May. They have also been thinking about the Ascension of Jesus, exploring what this moment meant for the Disciples and what it means for us today.

Prayer bags

It is wonderful to see how the prayer bags are being used at home.

Rosary Club

Fr Hilary is leading a rosary club every Friday during May for the children to come and pray the rosary in our beautiful prayer garden.

Y1 Assembly – Ascension of Jesus

Year 1 led a beautiful assembly on the Ascension of Jesus on Thursday. They read clearly with expression and sang with joy and enthusiasm. It was wonderful to see how their confidence has grown this year!

Key Stage 1

Reflection ❤️
Can you think of a time you doubted Jesus and later realised he is always with you?

Dear Jesus,
I am sorry for doubting you.
We should have had faith in you
Thank you for loving me for ever.

Now write and decorate a short prayer to say sorry for doubting Jesus.
Use these words to help you.
sorry doubting should faith love forever

LO: To recall teachings of Jesus and the words of the Nicene Creed about Christ's life.

I believe in one God
Father Almighty
Maker of heaven and earth
of all things visible and invisible

I believe in one Lord
Jesus Christ the only
begotten son of the Father
of the Father begotten at
ages

God from God Light from Light
True God from the True God
of the same substance
of the same God, together not
separated

For us and our salvation
he came down from heaven
incarnate
of one substance
with the Father
and became
man

For our sake he was
crucified under Pontius Pilate
he suffered death and was
buried

On the third day
he rose again
ascended into heaven
and is seated at the right
hand of the Father
he will come again
with clouds and fire
to judge the living and
the dead
his Kingdom will have
no end

I believe in the Holy Spirit
the Lord and Giver of life
who proceeds from the Father
and the Son together
with the Father and the Son
adoring and glorifying the
Father who says with the
Father and the Son
together with the Father
and the Son he was
sent into the world
to be with us and
with us

When we get together for church we read the Bible and learn about Jesus. The Bible is the book that tells us about God and how to live. The Bible is the word of God and it is the best book in the world. It tells us about God and how to live. It is the word of God and it is the best book in the world.

Well Done, Year 6!

Year 6 have undertaken their SATs in school this week. Their determination, resilience and positive attitude shone through, and they showed real maturity and commitment throughout.

Well done, Year 6 – you are all superstars!

CURRICULUM

Reading

Brother and sister reading together and sharing a story with Mrs Yorke.

Home Learning

Inspired by Mrs Lassey's lesson on the Nicene Creed, Yadial wanted to find out more about how the different parts fit together. Fabulous home learning!

BIRMINGHAM ROYAL BALLET

Dance Track

Congratulations to Florence and Aoife, who have both been selected for the Birmingham Royal Ballet Dance Track programme starting in September.

ROBOTIC/STEM WORKSHOP

A big thank you to the PTA for the whole school Robotic/STEM workshop which the children enjoyed on Friday. They were delighted to meet the incredible (and very friendly!) robot and loved taking part in the Young Engineers workshop. We are so grateful to the PTA for both organising these events and raising the funds to enable these opportunities to take place.

PTA event

Teachers vs Parents Netball Competition

The inaugural PTA Teacher vs. Parent netball competition took place on Friday and the event was a great success. There was even a guest appearance from Fr. Hilary who came on for the Yellow Team as Goal Shooter. A big thank you to the organisers, everyone who came to support and well done to the teams, in particular the Red Team who won the event overall.

Standard Assessment Tests (SATs) & Other Tests

Please note the following:

- Year 2 SATs take place **Monday 18th May – Friday 22nd May 2026**
- Year 4 Times Tables Check from **Monday 1st June 2026** for 3 weeks
- Year 1 Phonics Screen Check takes place w/b **Monday 8th June 2026**

Please do not book holidays for any of the above dates.

Further details will be given out nearer the time.

Reception Assembly 22.5.26 at 9:15am

Our Reception children would love their parents (and grandparents) to join them for their Pentecost Assembly on Friday 22nd May at 9:15am.

Year 5 trip to Wyre Forest – 22.5.26 – all day

Year 5 will be taking part in a fieldwork study trip to support their learning in their Rivers unit. Children will travel by coach and spend the day exploring river features and practising key mapping and fieldwork skills. Pupils should wear their PE kit with suitable footwear and weather-appropriate layers. All children will need a packed lunch and water bottle; those eligible for free school meals will receive a school-provided packed lunch.

Future Dates

World Ocean Day – wear blue on Friday 5th June 2026

We are excited to announce that on Friday 5th June 2026, our school will be celebrating World Ocean Day. This year, we are supporting the Marine Conservation Society, a registered charity dedicated to protecting our seas, shores, and wildlife. To show our support, we invite all children to wear blue and, if possible, donate £1 to the Marine Conservation Society (Registered charity in England and Wales 1004005) – on Gateway. Additionally, we are pleased to welcome Severn Trent, who will be delivering assemblies to all children and conducting workshops for Year 4 students. This will be a fantastic opportunity for the children to learn more about the importance of our local water systems and the steps we can take to preserve them.

We appreciate your support in encouraging your children to participate in this important event. By wearing blue and making a small donation, they will be part of a global movement to protect our precious marine environments.

Thank you for your cooperation and generosity.

Year 6 Confirmation Mass – 5.6.26 at 7pm

Our Year 6 children will be making their Confirmation on

Friday 5th June at 7pm

We look forward to welcoming Bishop David to St. Mary's

Holy Communions

6.6.26 10:00am

6.6.26 2:00pm

Our Year 3 children will be making their First Holy Communion at St. Mary's Church on this weekend. This marks the third major step on the children's journey of faith, when the children receive the sacrament of the Eucharist for the first time.

To celebrate that many of the children will have made the Sacrament of Holy Communion, we invite all Y3 children to bring in their Holy Communion outfit/smart clothes, to school on Wednesday 10th June 2026. The children will wear their clothes/outfits to their Y3 Mass in Church on that Wednesday morning at 9:15am and will receive a special blessing from Fr. Hilary. All families are welcome to this Mass. Following the Mass, the children will have a little celebration in school before changing back in to their school uniform/PE kit.

Week beginning 8th June 2026

Please bring in Holy Communion outfits, in a named bag or on a named hanger. Please do not bring 'accessories' e.g. bags, gloves, veils and jewellery as we do not want anything to be lost/damaged.

Sports Day for Year 4, 5 and 6 – 10.06.26

Years 4, 5 and 6 will be heading to Tudor Grange Stadium for their Sports Day—a highlight of the school year and an experience the children absolutely loved last year! It's a fantastic opportunity for them to compete, cheer each other on, and enjoy the excitement of a real stadium setting. Children should come to school in their PE kits with a water bottle and arrive promptly for 8:30am, as the coaches will be leaving at 8:45am. Parents are very welcome to attend and enjoy the event from the designated spectator area.

Year 6 Residential – Alton Castle

15th to 17th June 2026

If your child is going to Alton Castle and you were unable to attend the meeting on 30/04/2026, please ensure that you pick up an information pack from the School Office. A polite reminder also that the second instalment of £50 was payable by Friday 15th May.

Parent/Carer Information

GOOD ATTENDANCE MATTERS!

Every school day counts

Why is regular school attendance and good punctuality so important for my child?

Regular attendance at school means that your child can make the most of their education and improve their chances in adult life. School can also help your child's social skills such as making and developing friendships.

The link between attendance and attainment in school is clear. The more a child is in school the more they increase their opportunity to fulfil their potential.

Good punctuality is important. For example, if a child arrives 15 minutes late at school each day, they lose almost 2 weeks of education over the year. Good punctuality also helps your child get into good habits for when they enter the world of work.

Lateness can cause your child embarrassment and, in some circumstances, can count as unauthorised absence.

Holidays/Leave in term time

Holidays in term time are not allowed. Parents/carers must apply for the authorisation of any leave prior to travel or their children could be reported to the council as missing in education.

Leave for other circumstances such as bereavement or family illness abroad may also not be authorised. Informing the school does not mean the leave is agreed. In the event of a genuine family emergency, parents should avoid requesting more than 5 school days absence. Leave due to weddings is unlikely to be authorised.

Two weeks unauthorised holiday/leave means at least 50 lessons missed that will never be repeated.

If you have any concerns about your child's punctuality or attendance, please get in touch. We can discuss the situation and look at appropriate support options, including Early Help and other services that may be useful.

Our aim is to work with families to ensure every child attends school regularly and on time.

What Parents & Educators Need to Know about

SNAPCHAT

AGE RESTRICTION
13+

With over 300 million active monthly users and billions of 'Snaps' sent each month, Snapchat is a popular messaging app among children and young people. It allows users to share fun, spontaneous pictures and videos with friends and family while using playful filters. One of Snapchat's unique features is that pictures, videos and messages are only viewable for a short period of time.

SNAP STREAK

97

WHAT ARE THE RISKS?

ARTIFICIAL INTELLIGENCE

Snapchat's use of artificial intelligence (AI) includes features like the 'My AI' chatbot and AI-powered filters, offering interactive experiences that can be fun but also pose risks. These tools may share unfiltered or inaccurate responses, promote unrealistic beauty standards, and collect personal data. Advanced filters and deepfake-style lenses can distort reality, potentially leading to manipulation, impersonation, or inappropriate content.

SCREEN ADDICTION

Snapchat boasts user engagement and daily use with features like streaks (daily Snapchat exchanges between you and a friend). When a streak's been going for a few days, users will see a 🔥 emoji. The number alongside it shows the number of days, but if users miss a day and break the streak, the only way to restore it is to pay. This encourages daily use habits, and frequent notifications can keep users returning to the app even more often.

SEXUATION

Because Snapchat's disappearing messages feature may foster a sense of safety, users may become targets of sextortion. For example, a predator may pressure someone into sending nude images, then somehow capture those images to threaten and intimidate the victim. This might involve claiming they will share the images with friends or family unless money is paid.

SNAPCHAT+

Snapchat+ is the platform's premium subscription service, offering early access to new and exclusive features. In June 2023, Snapchat introduced a new tier called Lens+, giving subscribers access to hundreds of lenses and AR experiences for playing, creating, and sharing snaps. These paid features may encourage young users to spend money to access exclusive content, increasing the risk of overspending or feeling pressured to make in-app purchases.

ACCESSIBILITY

Snapchat is now accessible from a web browser, meaning children can use it on a laptop or tablet without downloading the app. This can make activity harder to monitor, reduce the effectiveness of parental controls, and increase the risk of unsupervised communication or exposure to inappropriate content.

INAPPROPRIATE CONTENT

Some content on Snapchat isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's disappearing messages feature also makes it easy for young people to share explicit images or videos – so sexting continues to be a risk associated with Snapchat.

Advice for Parents & Educators

ACCESS THE SNAPCHAT FAMILY SAFETY HUB

Created with guidance from Common Sense Media, Snapchat has developed a Family Safety Hub that explains how the app works and how to use its in-app protections for teens. It's recommended that you review this guidance before allowing a child to download Snapchat. Remember, the app is only intended for children aged 13 and over.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgmentally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

BLOCK AND REPORT

If a stranger contacts with a child on Snapchat and makes them feel uncomfortable by pressuring them to send or receive unwanted or inappropriate images, the child can tap the three dots on that person's profile to report or block them. There are options to state why they're reporting that user, with a tailored reporting section under the 'Nudity and Sexual Content' category. In this category, there's the option to report somebody for threatening to leak sexually explicit images or 'tricks'.

USE PRIVACY SETTINGS TOGETHER

Sit down with the children in your care and explore Snapchat's privacy settings as a shared activity. You can help them adjust who can contact them, view their stories, or see their location on Snap Map. It's a good opportunity to explain why some settings are safer than others, reinforcing their understanding of online boundaries. Encourage them to regularly review these settings, especially after app updates or changes in their friendship groups.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian Government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Do not book holidays during term time

This is a reminder that holidays during term time are unauthorised. If you intend to take your child out of school during term time, we ask that you complete a holiday request form at least 2 weeks prior to the leave date where possible. Parents may be fined by the Local Authority for taking unauthorised leave of absence. Children need to be in school every day so please ensure holidays are only booked during school holiday time.

Good attendance, continues to be a school and government priority. Good attendance is 96% and above

Remember below 95% is a concern and below 90% is classed as persistent absence. If you have any problems with regards to getting your child to school or you are struggling to improve your child's attendance, please speak to Mrs. Yorke or Mrs. Noone.

We will announce the attendance for the previous week in this section of the newsletter each week.
